The Knights of Columbus Council 3660 Euchre Club will have its next Euchre Club gatherings on August 14th. Remember, this Club is for members, spouses, parish associates and friends and will be held on the Second Wednesday of each month.

The schedule for the remainder of 2013 is as follows:

Sept 11th/Oct 9th/Nov 13th/Dec 11th

The games will start promptly at 12:30 PM and will end about 3:30 PM.

PICTURES AND MEMORABILIA

To all Brother Knights of Msgr Downey Council, as many of you are aware the council is celebrating its' 60th Anniversary year. The council is looking for old pictures and memorabilia to display at the council. Remember when the council picnic was at German Park, kids playing on the hill, and to our mother's dismay coming home filthy dirty? Or the New Years Eve dance so crowded that we would use every inch of space? Our Council Choir? There are many stories like this. Please help us to remember. If you have old pictures to donate or lend and are willing to share, please let us know, we would live to display them.

INSURANCE NEWS

The Urgency of Buying Long Term Care Insurance

As life expectancy increases, the number of people in need of long-term care, in their homes or outside facilities, has grown also. Since its addition to the Order's product portfolio in 2000, long-term care (LTC) insurance has provided the Order with an excellent opportunity to further serve Knights and their families. Since 2005, every Knights of Columbus long-term care policy comes with an added value.

That added value is in the form of a service called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates. The network covers: home health care, personal emergency response systems, adult day care, assisted living, skilled nursing facilities and durable medical equipment.

Eligibility for participation in this program is open to Knights of Columbus long-term care insurance policyholders, their spouses, dependent children, parents and parents-in-law. All providers are fully credentialed and meet state licensing requirements.

If you are not currently an LTC policyholder, I suggest that we schedule some time together so that I can provide additional information on how you can avail yourself of this significant, value-added benefit.
