GRAND KNIGHT'S MESSAGE

Dear Brother Knights,

I would like to share with you what I believe will help us get back on the right track financially here at #3660. It has been many months in the planning and securing our gaming license. Again, I need to thank Dan Constantino for his perseverance in gaining our license.

Beginning Friday July 25, 2014, Texas Hold'em starts at 6p.m.

The particulars are as follows

\$335 Buy-in + Optional \$25 Add-On

30 minute Blind Levels

Early Registration – 2k in chips

80 seat maximum

\$10,000 1st place if sold out*

Saturday \$125 Revival

July 26, 2014 – 5p.m.

50 seat maximum

Dinner and Drinks Provided During Both Tournaments

License # 135171

We are also looking toward having a weekly bingo night as well, possibly Wednesday or Thursday nights. More to follow.

Looking towards New Years Eve? Well, we have secured for the evening's entertainment out of retirement mind you "3rd Generation". More information in the coming weeks on 3-G's Facebook page and in future Cross & Compass.

Finally, I would be remised if I didn't share with great sadness on the passing of Harry Mathews. Harry was a fixture at the council. Everywhere around the building Harry's gift can be seen with his woodworking skills (from the Bar, lobby, large hall, etc.). Last year Harry was named "Man of the Year" at #3660.

Again stop in and see us, get a beverage or grab lunch/dinner

God Bless you and our Council

Your Grand Knight

Kevin Klaiber

INSURANCE NEWS

The added value of LTC insurance

As life expectancy increases, the number of people in need of long-term care, in their homes or outside facilities, has grown also. Since its addition to the Order's product portfolio in 2000, long-term care (LTC) insurance has provided the Order with an excellent opportunity to further serve Knights and their families. Since 2005, every Knights of Columbus long-term care policy comes with an added value.

That added value is in the form of a service called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates. The network covers: home health care, personal emergency response systems, adult day care, assisted living, skilled nursing facilities and durable medical equipment.

Eligibility for participation in this program is open to Knights of Columbus long-term care insurance policy holders, their spouses, dependent children, parents and parents-in-law. All providers are fully credentialed and meet state licensing requirements.

If you are not currently an LTC policyholder, we suggest that we schedule some time together so that we can provide additional information on how you can avail yourself of this significant, value-added benefit.

We look forward to meeting with you to review all your life insurance policies.
