# GRAND KNIGHT'S MESSAGE

## Brother Knights

I wanted to share with you where the council is at in regards to Bingo. Right now we are waiting on the State gaming commission to grant us a license for bingo. In the past the Knights of Columbus around central Indiana hasn't had a stellar reputation with the state when it came to gaming. The state wants to make sure that we at Msgr Downey is on the right track with Texas Holdem. From all indication we are. It's wait and see from the state to move forward with our license

Upcoming events that the Council is looking forward to include: Euchre Club Wednesday October 8<sup>th</sup>, 12:30 p.m., Breakfast Sunday October 12, (we are looking for additional members to volunteer in assisting with breakfast, no experience necessary) Living Rosary Monday October 13, 7 p.m., Children's Halloween Party on October 25<sup>th</sup> from noon until 2PM, Memorial Mass Monday, November 10, at 6p.m.

I have received a lot of feedback from last months letter concerning how council dues is distributed. Thank you for sharing your thoughts and ideas. Yes, feedback does help. It allows us to make improvements to the Council.

Don't forget to stop in for dinner or beverage, the food is great and beverages are reasonable.

## Cover two people with one policy

In this month's article, I want to discuss a type of life insurance product with which you might not be familiar. This product offers a way for you to help your heirs meet estate settlement costs without subtracting from the total value of your estate. After all, you've worked hard to accumulate wealth or build a business over the years and you want to pass along that value to your family, charity or church in its entirety.

To this end, the Knights of Columbus designed a Survivorship Universal Life (SUL) product. SUL is a second to die, or survivorship, life insurance program that covers two people, (usually husband and wife) and the death benefit is paid upon the death of the surviving second person — which is normally when an estate would be taxed. This can be an important part of an estate plan.

Keep in mind, an SUL policy is one policy that covers two people. This has advantages, including a lower cost than two individual life insurance policies. It is a great option for a married couple with children. It can provide funds for the legal guardians chosen to care for children in the event both parents die, which is especially attractive to parents of a special needs child.

If you have a child or children, you need life insurance. If you intend to pass on any property or wealth, you need life insurance. A SUL policy is one option that we can discuss when we meet for an insurance review.

Please schedule an appointment with me today.
