GRAND KNIGHT'S MESSAGE

Brother Knights

As we come closer to the end of our fraternal year, I have begun to reflect on my year as Grand Knight. I will have a much longer reflection in my last message next month. But today, I want to thank all of the active brother's in our council. A leader is only as strong as the people that support him. I am grateful for all of the support I have received.

Our last breakfast of the year at Central Catholic School (May 12) was a small success and we continue to raise money for our charitable causes. We hope all the mother's had a great time. We also had two students from Roncalli come help out to earn service hours. We were happy to have the help and see young Catholics get involved in service to others.

Our charity has continued to be strong with donations to multiple fundraisers at the parishes that feed our council. If you know of charitable opportunities, please contact me or any of the other officers so it can be brought up at a future council meetings.

We are still looking for members to step up and become officers, please see the section on council nominations for more details.

Continue reading our newsletter and checking the website for updates and new events.

If you would like volunteer in anyway (time, money, prayers, etc.) for or chair one of our events or committees this fraternal year or simply have questions please feel free to contact me.

Respectfully submitted

**Joe Humbert
Grand Knight**

**Cell phone: (317) 883-9676

Gymnasium and Offices

Loyal Bugby Hall
Student Dormitory
and Classrooms

Fr. McGivney Hall
Student Dormitory

What is Gibault?

Gibault is a place for young people to receive help and treatment. We are not a detention facility or a place for 'bad kids.' Gibault helps children whose traumatic experiences have caused them great emotional pain find hope and feel safe.

Who Does Gibault Serve?

We serve children and youth between the ages of 6-21. Most children who come to Gibault have experienced complex trauma. Trauma is a wide range of events and challenges in a young person's life which can include physical and sexual abuse, verbal and emotional abuse, as well as neglect. Many of our children have witnessed intense domestic violence, have a care giver who is incarcerated, and have unstable home environments. Trauma affects children regardless of age, race, gender or other factors.

Many of the children in our care have experienced multiple types of trauma occurring over long periods of time. This trauma has devastating effects on children and leads to behavioral problems, difficulty trusting others and difficulty maintaining relationships as well as drug and alcohol abuse. Sadly, the list of problems that come with trauma go on and on.

What is our Goal?

When children come to Gibault they meet with a therapist and our on-site psychologist to complete clinical assessments and identify their specific needs. These assessments make up individualized treatment plans unique to the child. Gibault uses evidence based programs and treatment options when working with each child.

The goal of these individualized programs and services is a life-changing opportunity; a chance for our kids to make their own lives better and look to a positive future where they can become happy, healthy and productive adults.
