Wayne invited Keith Madley and Melissa Reed to attend their charity softball game which **raised over \$1,300** for our youth. They were able to set up a resource table to share with participants the services we offer children, adults, families and communities. A silent auction was also held. Thank you, Knights, for all your hard work in helping us provide life-changing opportunities.

Crisis Intervention Team Training (CIT)

Gibault has been an integral member of the CIT planning committee since 2017. The lack of mental health crisis services across the U.S. has resulted in law enforcement officers serving as first responders to most crises. The CIT program is an innovative, community-based approach to improve the outcomes of these encounters.

Gibault's Keith Madley and Kara Jones volunteered at the CIT International Conference held at the JW Marriott in Indianapolis on August 26th-28th. Gibault takes pride in being involved in best practices in responding and treating individuals suffering from mental health illness. The conference provided networking opportunities, training, and presentations that will be invaluable for the future of CIT in the Terre Haute community.

K of C Council #17043, South Bend hosted a cookout and ice cream social on our Campagna Campus again this year. The kids had a great time, the food was delicious, and the ice cream melted almost faster than the kids could eat it, which made for a lot of sticky fun!

Members and wives of K of C Council #7473, Crown Point joined Melissa Reed and Crystal Mulvihill, Director of Residential Services, for a tour of our Campagna Campus. We love it when Knights and their families come to learn more about our programs and ask how they can better serve our youth. We are hoping they will come back before the end of the year to spend some time with our kids!
