### **An Opportunity to Win and Support Gibault**

Each year, the Indiana State Convention hosts the highly anticipated Gibault Raffle, an event that brings together participants from various councils with a shared goal of support. This year, the excitement is elevated with a special incentive that promises to add an extra layer of enthusiasm to the proceedings. For the 2025 Gibault Raffle, every council that participates will be entered into a drawing for a coveted prize: a 5x7 Gibault flag. This flag, a symbol of dedication and unity, represents the spirit of the Gibault community and serves as a proud emblem for those who support the cause.

### Celebration of the 125th Anniversary of the 4th Degree

On Saturday March 22, Indiana is hosting the Midwest celebration of the 125th Anniversary of the 4th Degree. The program given to each guest will have an "In Memoriam" section to remember those who have passed before us. Clergy, members of religious life, brother Knights, parents, spouses, and children can be listed in this section.

There will be a \$10 fee for each name. The entire sum of In Memoriam fees will be donated to Gibault, that night at the banquet. For more information, please reach out to Patrick Glavin at [Master@indianakofc.org](mailto:Master@indianakofc.org).

**Help us spread love for Valentine's Day.** If you would like to send Valentine cards or treats to our children, or residents at McGivney Health Care Center, please contact Melissa Reed at 812-298-3030.

### Campus Needs

We need more suitcases! We have discharges coming up and are running low on suitcases on both campuses. Please help us send the kids home in style.

Due to swallowing and choking hazards, we will no longer be able to accept donations of stuffed animals that do not have stitch sewn eyes, nose, or mouths.

Thank you in advance for your generous donations to the children in our care.

## Gibault Golf Scramble

Gibault's 29<sup>th</sup> annual golf scramble will be held at the Country Club of Terre Haute on Thursday, May 15<sup>th</sup>. Sponsorship opportunities and team spots will open soon. Watch our website and social media pages for more information coming soon!

## Student Spotlight

Name: Keil

Age: 11

Grade: 6

Keil loves to draw, making people laugh, and help others out. When Keil grows up he wants to be a comedian because he enjoys watching others be happy. His favorite color is orange and his favorite subject in school is history. His favorite teacher at Gibault is Mrs. Roehm. Kiel states that Mrs. Roehm has taught him things like writing in cursive. (His parents were shocked when they saw he had written his full name in cursive).

His favorite movie is Jumanji, favorite book is Percy Jackson, and his favorite animal is a black panther.

Keil said Gibault has taught him coping skills, how to be more caring and kinder to others, how to take "NO" as an answer, how to not let others affect him, how to work harder in class to have better grades, how to clean up after himself, and how to do laundry. Keil has stated he would highly recommend Gibault because being here has made him a new person and he has learned so much.

## Campagna Campus Happenings

Campagna Campus recently opened their activity center. The space will be used for youth council meetings, Zumba and yoga, and other activities for the children. In honor of the opening, the staff held a movie night for the kids complete with snacks.

### \$2000 Grant Award

Gibault would like to thank the Oscar Baur Trust, Frederick R. Benson Trust, and Mary Smith Young Trust, and First Financial Bank for the grant award in the amount of **\$2,000**. The award will be used to purchase clothing and personal hygiene items for children once they are admitted into residential treatment.
